## Veterans Small Business Week

The U.S. Small Business Administration (SBA) celebrates Veterans Small Business Week, November 2-6, 2015. In 2014, President Barack Obama issued a Presidential Message announcing Veterans Small Business Week, recognizing the meaningful contributions of America's veteran and veteran-spouse entrepreneurs and small business owners to the U.S. economy and communities across the country.

**If you're a veteran with entrepreneurial passion, you're not alone!**

Did you know that U.S. military veterans own 2.45 million businesses, or 9% of all businesses nationwide? One out of ten United States veterans owns their own business.
