Why Buy Local

- More money stays in the community.
- Non-profits receive 250% more support from small business owners than from large businesses.
- Reduces environmental impact (more local purchases mean less transportation).
- Supports local, quality jobs.

Main Street Launch is proud to work with these companies who are part of San Francisco's small business community, and we encourage you to contact them for your catering needs.

Mister Jiu's was born to preserve the tradition of Chinese cuisine and to showcase a contemporary take with San Francisco food values: small farm, organic, and seasonal ingredients. Now with 55 employees, Mister Jiu's is a Chinese American restaurant that highlights the best of both cultures. "Main Street Launch was the only place that heard me out and believed in my vision enough to take the risk with me," remembers Brandon Jew, owner.
