Holiday Shopping Guide 2016

Main Street Launch's mission is to empower entrepreneurs.

Amber Woods,
Pink Light

Why Buy Local

More money stays in the community.

Non-profits receive 250% more support from small business owners than from large businesses.

Reduces environmental impact (more local purchases mean less transportation).

Supports local, quality jobs.

Main Street Launch is proud to work with these companies who are part of California's small business community, and we encourage you to choose them for part of your holiday shopping this year.
