*"It was great to have a resource like Main Street Launch. They worked with us as we incorporated, separated the business financials, and worked on our business plan. We couldn't have expanded to our new location without the loan from Main Street."*

Lancy Woo  
Owner of VIP Grooming

*"I came to Main Street Launch after being turned down by my bank. Having the loan helped me make decisions about the type of equipment I could buy. Without the loan, I would have had to go a cheaper route."*

Richard Santana  
Owner of Cafe Santana

*"Main Street Launch is conscious of trying to help moderate income people contribute to the success of Oakland. Their due diligence made me feel more confident that our business plan could make our restaurant successful."*
